COMMENTS: On June 12, 1997, the City Council approved a use permit for a time extension requested by Mill Cue Club to continue operating the same business as approved in 1994 which included a use permit for a 4,852 s.f. billiard/pool hall and a use permit for live entertainment. The 1997 approval was for four years and expires on June 12, 2001. The applicant now requests to extend that condition for four more years. The applicant has been working with the Police Department on a new Security Plan renewal.

The applicant has been in business for 6 ^{1/2} years operating under the previously approved security plan as part of Council approval on September 29, 1994, with no significant problems or complaints. The applicant has met with the Police Department and completed an updated security plan, which is valid until April 12, 2003. Based on this, staff is in support of the four-year time extension and we believe this use is compatible with the downtown area and has apparently not been a nuisance or disturbance to surrounding properties. To date, no public comments or concerns have been received.

**REASON(S) FOR
APPROVAL:**

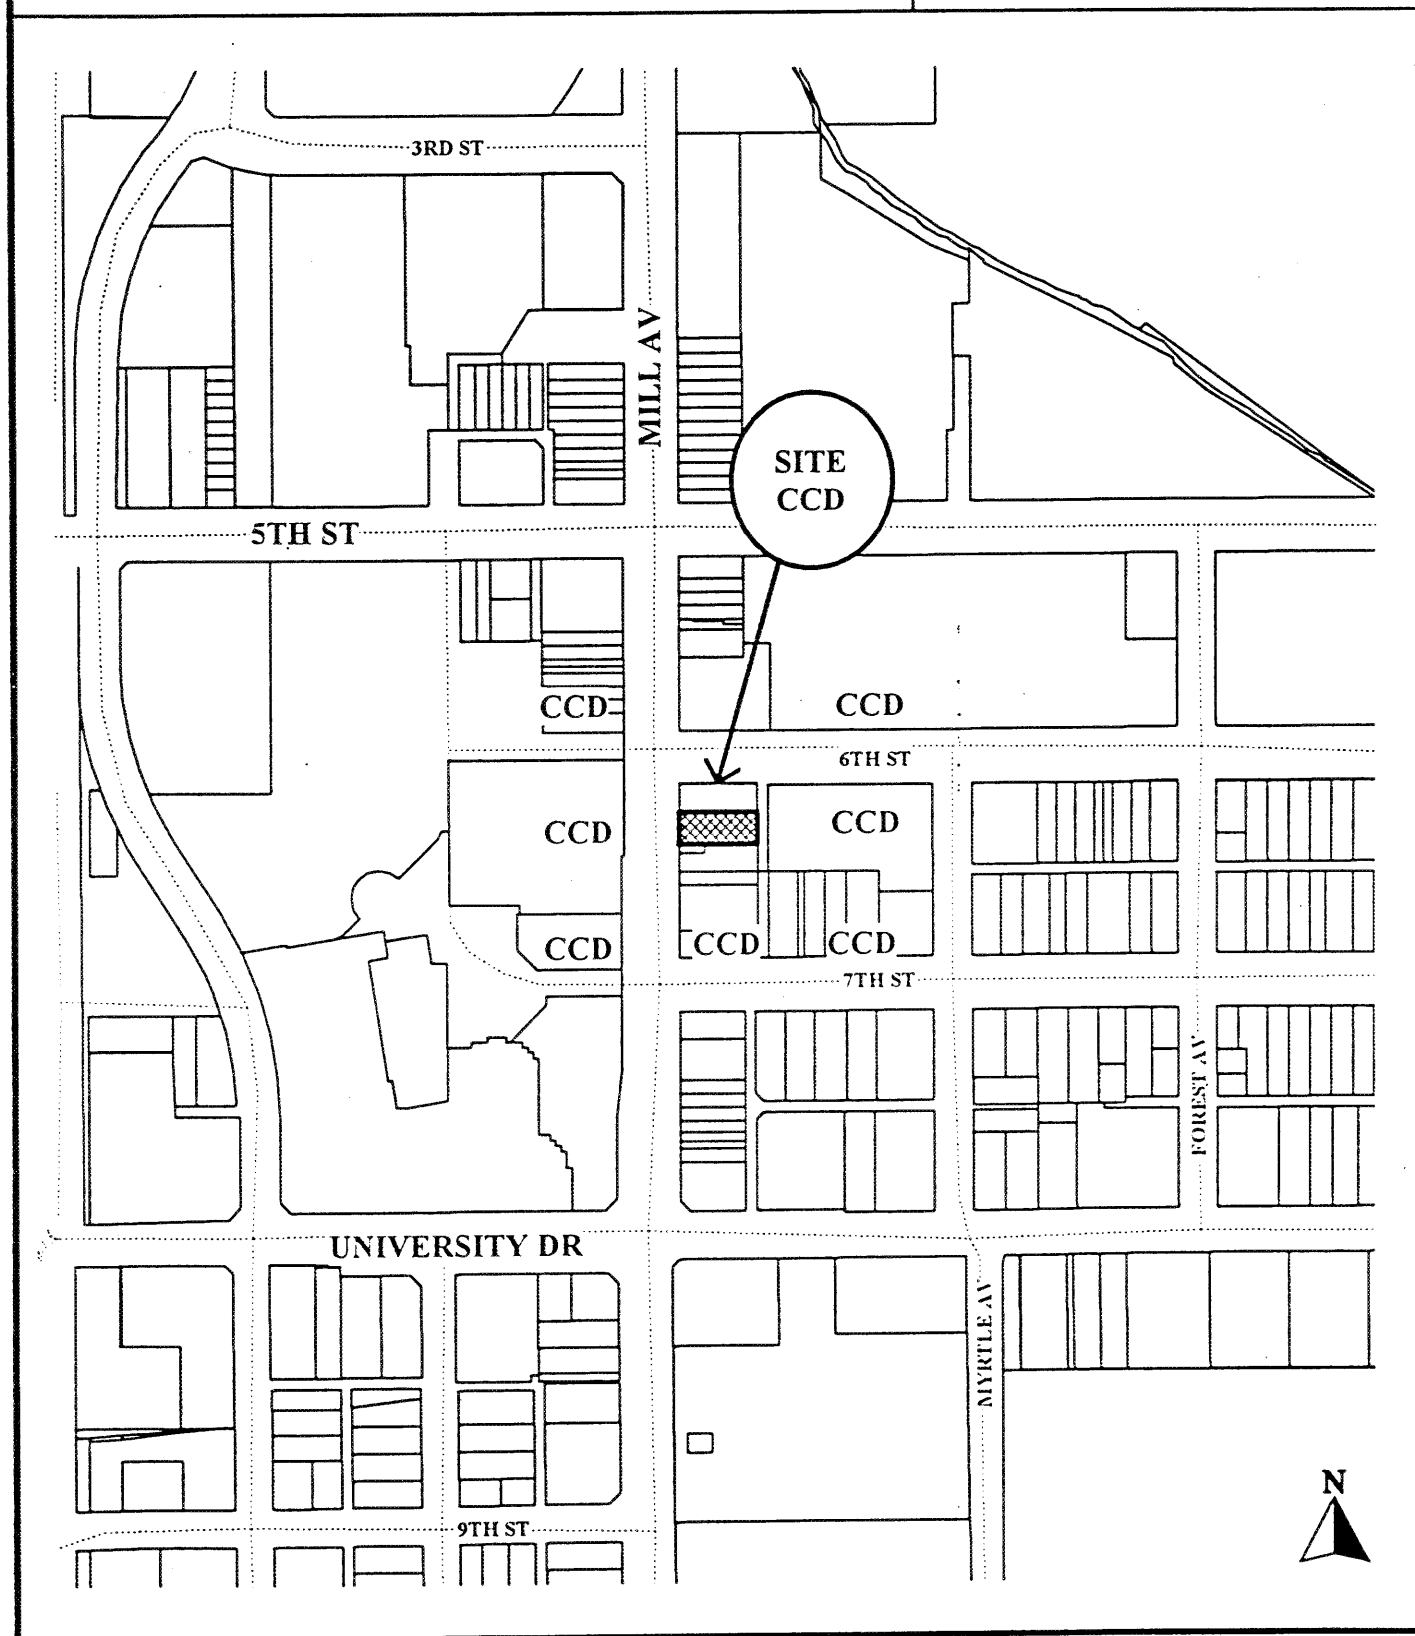

1. Proposed time extension of an existing use should not create any detrimental effects to the surrounding properties.

**CONDITION(S)
OF APPROVAL:**

1. Use permit is non-transferable and is issued to the current owner of Mill Cue Club only.
2. Within four years of date of City Council approval, the applicant shall return to City Council for compliance with conditions of approval. (May 15, 2005)
3. Any intensification or expansion of the use shall require the applicant to return to the City Council for further review.
4. Any significant verifiable police complaints (as determined by the City Attorney and Police Dept.) shall require the applicant to return to the City Council for further review.
5. Bar activities shall cease at 1:00 a.m. per state statute.
6. All previous applicable City Council conditions of approval shall be adhered to.
7. A Security Plan shall be provided according to the agreement with the Police Department renewal letter dated 4/12/01.
